Motivation Letter

I have been involved in the EUCCC activities since the very beginning, when I was actively participating to the Maritime WG.

I later held the position of VChair and Chair of the LWG for a total of 7 years and was reelected VChair this year.

I have been member of the Sha Board for the last two years.

I experienced the EUCCC increase its importance and gain reputation throughout the years; I gave my small contribution to the Chamber's success, which was a matter of great satisfaction, enhanced when I became part of the Sha Board. I would consider a great privilege to continue to serve the Chamber in this position for one more year, my last one.

It will be my duty to act in the interest of the Members and their business in China; to promote the EU, favoring its relationship with the Chinese Authorities.
