Education

- Bachelor of Economics, Kingston University, United Kingdom
- Affiliate Member of the Business Continuity Institute
- Member of the Information Systems Audit and Control Association

Background

- Ning Wright holds several key leadership roles at KPMG China, chiefly:
 - Partner in Charge, Shared Services and Outsourcing Advisory, China
 - Partner in Charge, Business Performance Services, China
 - Partner in Charge, Technology, Media & Telecommunications, China.
 - National Head, Electronics, Software & Services (ESS)
- She has more than 17 years' experience advising organisations in multiple sectors, including information technology, telecommunications, banking, insurance, automotive, chemical, pharmaceutical and manufacturing.
- Ning specialises in sourcing advisory, mergers and acquisitions advisory, post-deal services, compliance, business resilience and project management.

Professional and Industry Experience

- Ning represented KPMG China in signing a memorandum of understanding with China's Ministry of Commerce on the "Thousand Hundred Ten" project. She is noted for her invaluable experience as a preferred advisor to China's central and city-level government officials regarding the direction of strategic outsourcing.
- She leads a prominent team of specialists, with a strong focus on the outsourcing industry, in assisting both global and regional clients on a broad scope of needs, including China-entry strategy, outsourcing and offshoring strategy, location and vendor selection, inbound/outbound mergers and acquisitions, and sourcing process improvement.
- She has also been appointed by the Shanghai Municipal Commission of Commerce as an outsourcing advisor for the city of Shanghai.
- Ning is a strong business thinker with an in-depth understanding of China's sourcing market. She has represented China and KPMG at a number of international sourcing conferences.
- She has extensive international experience, having lived and worked in the USA, Europe, the Middle East and the Asia Pacific region.
