### **Motivation Letter:**

For the last ten years I have gained extraordinary experience in the real estate industry through the demanding positions and roles he has maintained on a national and international level. Based in Cyprus, China and SE Asia I serve as Group Sales General Manager of Aristo Developers. My diverse and extensive knowledge of real estate has inspired me to broaden the Company's horizons, by establishing and managing overseas operations across the globe. In his capacity as General Manager for China and Asia and motivated a team of professionals to achieve both common and personal goals. My strength in building strong and dedicated teams within the workforce has led to extraordinary and innovative results.

Being appointed as Representative of CCCI in China I am driven by same values and goals. My ambitious to run as candidate for the Executive Committee of EUCCC position, targets further empowerment and expansion of the business relations on corporate but also bilateral level, through professional and ethical standards that will be regulated and framed on European Standards and Vision. Furthermore, I wish to work in team spirit to build strong foundations for further expansion of EU countries in China and vice versa, by sharing and exchanging knowledge for a more sustainable, transparent and mutual benefit environment between EU and China.
