The Southwest Chapter of the European Chamber is a very good resource exchange platform. It not only help me promote equestrian sports, but also introduce me many friends in different industries. There are two reasons for joining the board of directors. The first reason is try my best to share and promote equestrian sport and let more people be in love with it. The second reason is to experience the daily work of the European Union Chamber of Commerce in China, to help its colleagues, and to provide better services for the members. Dargans Equestrian Company is not only have great clubs, but also runs a very good equestrian events: Longines FEI Jumping World Cup-Chengdu Station. At the same time, our relationship with the government is very good. Dargans originated from equestrian but diversified in equestrian. We believe that in the future we can provide more resources and conveniences to the Southwest Chapter of the European Chamber and members, we are creative and love to share. Thank you.
