

## Ms Camille Fourmeau

Deputy Economic Counsellor, Consulate General of France in Shanghai

Ms Camille Fourmeau is a young graduate appointed at the Economic department of the French Consulate in Shanghai to support French companies' development in China and ensure dialogue with local authorities and institutions. Her recent activities include accompanying industries in the field of green building, green technologies, and green innovation.

Ms Camille Fourmeau holds a degree in Environment, Politics, and Society from *University College London* and in Environmental Science from *Ecole Polytechnique*, a renowned French engineering school. She worked on several subjects linking environmental issues and international relations, especially through the analyses of energy transition strategies in the Asia – Pacific region.
